

# Membership FAQ

## How do I receive a travel discount?

First you will need to join Hotels Etc. by visiting <https://www.hotelsetc.com/membership> at which point you will have access to our online booking engines. Simply search, book and enjoy your savings. Our booking engines offer the same technology as the public engines, the only difference is we only offer wholesale - net rates by eliminating the middle man.

Unique solution ID: #1001
